

Seabron Adamson, Vice President

Seabron Adamson is Vice President of CRA International. He is a leader of the firm's Energy & Environment practice and leads the Enterprise and Asset Investment group of 20+ professionals within the practice. His professional focus is application of economic analysis to energy markets, in the United States, Canada, Latin America and Europe. This has included extensive work on market design, market power, contract analysis, litigation support, and regulatory economics. He has testified before the Federal Energy Regulatory Commission, state regulatory agencies, and U.S. and international arbitral tribunals. Seabron has provided extensive advice to energy sector, private equity and investment banking clients on mergers and acquisitions, corporate strategy and energy asset valuation. He holds graduate degrees from M.I.T, Boston University and Georgia Tech.
