

MBA Concentration Declaration Form

The Freeman School offers several concentrations for MBA students. **No concentration is required to earn the MBA degree.** Those who choose to earn a concentration(s) must complete this form and return it to the Office of Graduate Programs (GW2 4113) to have the concentration designation appear on the final transcript. No more than two concentrations may be declared. Specializations do not count toward this limit.

More information regarding concentrations is available in your academic handbook or in the Office of Graduate Programs.
