Please attach responses to the following questions (2-4 pages)

1. Briefly describe your business. *(Please limit your answer to one paragraph)*
2. What are the specific company goals or business issues in which you would like MatchNOLA participants to help you achieve or resolve? Please indicate whether these issues are strategic, financial, marketing, operational, HR, etc.
3. What is the project(s) you have in mind for the MatchNOLA program that would both improve your business and provide a learning opportunity to students?
4. The success of MatchNOLA is significantly enhanced by the feedback, time, and information that the students receive from the entrepreneurs. Do you have the resources to provide students with valuable insight, substantial hands-on opportunities and a minimum of one hour per week towards meeting/communication with the students? Please list your weekly availabilities.
5. Please provide us with any additional information that will help your student team better understand your venture.
