

Reuters Trader for Commodities

Energy Content Guide

Energy Exchanges (Futures & Options)

Where a delay time is shown in the table below, delayed data is available free from the exchange. Real-time data is available for all these exchanges on payment of exchange fees. These fees are set by each exchange. Where no delay time is given, then the exchange has not made delayed data available and data is only available on payment of exchange fees.

Exchange	"Free-of-Fees" Delay – Mins	Exchange	"Free-of-Fees" Delay – Mins
